Curriculum

The practice-oriented curriculum of Northeastern University’s Online Master of Science in Finance explores a comprehensive range of relevant financial topics. Designed to serve the needs of working professionals in the finance field, this 30-credit-hour program—which includes six core courses and four electives—can be completed entirely online in as few as 16 months. You may also expand your scope of study by selecting from two tracks:

- **Corporate Finance Track**—Study the sourcing and allocation of capital in an organization to achieve an overall objective, such as maximizing shareholder value for a for-profit entity. Advance your knowledge of financial management and valuation issues, including business planning and analysis, treasury management, strategic planning, capital budgeting, financial risk management, mergers and acquisitions, private equity, venture capital, consulting, and investment banking.

- **Investment Finance Track**—Focus your studies on the analysis of financial instruments and portfolios of securities. Strengthen your ability to analyze and manage investments in securities, equity, fixed-income securities, options, futures, and other derivative securities. Learn about performance analysis, financial risk management, and private wealth management.

About Northeastern University

Founded in 1898, Northeastern is a global, experiential, research university built on a tradition of engagement with the world, creating a distinctive approach to education and research. The university offers a comprehensive range of undergraduate and graduate programs leading to degrees through the doctorate in nine colleges and schools, and select advanced degrees at graduate campuses in Charlotte, North Carolina and Seattle, Washington.

About the D’Amore-McKim School of Business

Established in 1922, the D’Amore-McKim School of Business offers undergraduate, graduate, and executive programs that have helped our graduates to launch or accelerate their careers ever since. The school credits its success to expert faculty, close partnerships with the business community, and its emphasis on rigorous academics and experiential learning.

Accreditations

The D’Amore-McKim School of Business is accredited by the Association to Advance Collegiate Schools of Business International. AACSB accreditation is the hallmark of excellence in management education. It represents the highest standard of achievement for business schools worldwide.

Northeastern University is accredited by the nation’s oldest regional accrediting association, the New England Association of Schools and Colleges Inc., through its Commission on Institutions of Higher Education.

Rankings

U.S. News & World Report ranks Northeastern University’s Online Graduate Business Programs #37 (tied) in the U.S. in the Best Online Graduate Business Programs (excluding MBA) category for 2017.

The E-Learning Difference

Enjoy the advantages of online learning
We understand how important it is to be able to pursue a graduate degree while you continue to advance your career. Our Online MSF is a highly respected degree delivered in an innovative format. Learn from anywhere, at any time of the day, while forging a strong, open line of communication with faculty and fellow students. Here are some of the many benefits of online learning with Northeastern:

- **Flexible scheduling**
  The program is based on an asynchronous model that allows you to work at your own pace while meeting deliverable deadlines. Your instructors will outline course requirements so you know what to expect and how to prepare.

- **Intimate classes**
  We keep our sections to fewer than 20 students. Our small class sizes help to foster a peer network that will encourage discussion and challenge you.

- **Accessible resources**
  Resources such as the online library and access to current course materials are available 24 hours a day, 7 days a week, year round.

- **Individual attention**
  Your section instructors will engage and challenge you. In addition, they are available to provide support and coaching on a personal level that can be difficult to find in other MSF programs.

Admission Requirements

- Undergraduate degree from an accredited institution of higher learning.

- GPA score of 3.0 or higher on a scale of 4.0.

- All official transcripts of prior undergraduate and/or graduate work reflecting degree conferred by an accredited institution (International transcripts must be translated and include a WES or CED evaluation).

- Official results of the Graduate Management Admission Test (GMAT) OR currently employed with five (5) years of demonstrated professional experience in participation and leadership of work teams, financial and/or budgetary responsibility, and management of staff in a direct reporting relationship.*

- Current resume.

- Candidates whose undergraduate instruction was not conducted in English need to submit official TOEFL, IELTS, or PTE academic scores. Minimum score = 100 and we only accept the internet-based test (iBT).

- Two (2) letters of professional recommendation (cannot be from friends and/or relatives).

- Application essay.

- Non-refundable $100 application fee.

*Candidates who do not meet the minimum work requirements, but are approaching five (5) years of professional work experience, may still apply. In these cases, supplemental documentation, such as official professional designations or certifications, may help to strengthen an application portfolio.
